LEGO Scrum Hotel Workshop

WORKSHOP

The Lego Scrum Hotel is a simulation of building a complex product.

The goal is to achieve the highest return on investment while meeting all functional and non-functional requirements.

All of this in a dynamically changing environment, reflecting the reality of working in IT.

BENEFITS

Understanding the essence of iterative work.

Experience the difference between being busy and effective.

Team self-organization.

The fundamental idea of Scrum

AGENDA

Build in groups of ~6 members.

2h

30 minutes intro
1h LEGO simulation
30 minutes of conclusions!

Max 18 people

AWARDED

Our workshop has been selected for display at AgileByExample 2023, the biggest Agile conference in Poland.

FOR WHOM?

Development Teams
Middle and Upper management
Product Owner
Scrum Master
Architect

ABOUT TRAINING

"The **product vision** is one of the key elements in **product development**. It acts as the missing link in **understanding the purpose** of the product and its connection to the **organization's goal**.

This workshop's objective is to construct and comprehend what a product vision is, how to relate to it daily, and foster alignment among different departments within the organization.

BENEFITS

Focus on the must-know Scrum aspects.

Embrace the Agile mindset and avoid costly mistakes from day one.

Real Insights from Seasoned Practitioners.

IN AGENDA

Work in subgroups of 4-6 individuals.

30 minutes introduction
7-hour workshop
featuring the 1-2-4 method

remote or in-person
Maximum 30 participants

FOR WHOM?

Middle and Upper management

Product Owners
Architects
Developers

Development and maintenance teams
Marketing and sales teams

Product Vision Workshop

TESTIMONY

"What pleases me the most is that I am leaving here with a vision that we all believe in, because we created it together."

Michał, Product Owner

ESTIMATED PRICE: €1,800 / trainer day

ABOUT TRAINING

“Why people **misunderstand me** even when I’m crystal clear!?”
– You will **learn why!**

Human **temperaments**: how to understand them, how to understand them and what to avoid.

What **motivates us?**

Truly understand and **build trust** with team mates and colleagues!

BENEFITS

Maximize team cohesion and productivity.

Find out the temperaments of people you work with.

Understand everyone’s different intrinsic motivators.

IN AGENDA

Communication
Words, Music and Dance
Von Thun model

Human temperaments
Key DO’s and DON’Ts
Motivation

Moving Motivators

FOR WHOM?

All Teams
All Leaders

Individuals looking to strengthen team dynamics and communication

Stakeholders

TESTIMONY

“I’ve worked with my team for 6 months and never got to know who they really are before today”
Mark, Team Leader

ESTIMATED PRICE: €1,800 / trainer day

Team Communication Workshop

1
day
